The Bridge that
Connects Customers and Service Providers

Why?

B2B – Business to Business

Service Providers

- ◆ Limited **visibility**;
- ◆ Difficulty **managing their bookings**;
- ◆ **Spend valuable time** interacting with consumers;
- ◆ The **quality of their service** isn't easily showcased to customers.

B2C – Business to Consumers

Customers

- ◆ **Spend valuable time** searching for services;
- ◆ Can't easily **compare services** by ratings, price and location;
- ◆ **Booking services** can be complicated and time-consuming.

How?

B2B – Business to Business

Service Providers

- ◆ Gain **visibility**;
- ◆ Have an efficient tool to **manage their bookings**;
- ◆ **Save time** by avoiding unnecessary interactions with customers;
- ◆ The **quality of their service** is valued through the rating system.

B2C – Business to Consumers

Customers

- ◆ **Broad variety of services** in one platform;
- ◆ Gain the **ability to compare services** by ratings, price and location;
- ◆ **Save time** by easing their search process for a service;
- ◆ Eases the process of **booking services**.

For Whom?

Target Audience

- ◆ 20 - 35 years old;
- ◆ Consumers and Service Providers in the City of Porto;
- ◆ Service Providers with Businesses;
- ◆ Independent Service Providers.
